**BAPTIST WORLD MISSION**  
PLANTING CHURCHES WORLDWIDE

Ecc. 3:1

“To every *thing* there is a season, and a time to every purpose under the heaven...”

October 2008

Dear Praying Friends,

As nature slows down with the fall season, so the extra busyness of the summer has tapered off. Special projects have given way to a more

settled routine. In the end, we had four groups that helped greatly over the summer. Lending us a hand now, we have a retired couple who plan to be with us for a few months, along with two young ladies from a supporting church. This helps as things have slowed down recently. Please pray for our newest member, **Martine**, who quit the church in September, and for **Yvette** who has not been regular and who has had many trials. Please pray also for these occasional visitors: M. And Mrs. Dionne, M. Paradis, Léona, Georgette, Liliane, and for others with whom we continue to have contact: Mario, Blanche-Aimée, M. and Mrs. Giguère.

We ask you to pray that God will keep strengthening our people through the trials and hardships they are experiencing (health, work, etc.), and for boldness as we strive together to keep sowing the seed of the Gospel.

School is going well for the children. We appreciate Valerie and her sister Heidi being here and taking care of this. To see the kids walk off to school is a blessing and an answer to prayer.

We appreciate your prayers for the scheduling of our November-December furlough. God is good. Please pray that we will truly be a blessing and a benefit to the churches we will visit. May God raise up more missionaries and more involvement for the fields of harvest. Half of our time will be ministering in supporting churches, and the rest of the time we will be doing some deputation for the remaining 20% of needed support. Please also pray for my parents, Richard and Nancy Teachout, missionaries with Bibles International, who will be covering for us.

In view of this furlough, we are particularly thankful for God's special provision. A supporting church that sent a group up in early August gave us a huge surprise in providing a very good, low-mileage, used van. We appreciate the sacrifice of love manifested in this gift as well as in all of you who keep us going through your monthly support. May these gifts, bathed in prayer, bear fruit in the victory of a church being planted in this part of the world, unto the glory of God.

In Christ,

Ray and Jennifer Teachout

David, Isaac, and Laura
